

Cycling in Gers : between historical sites and Armagnac vineyards

Your cycling tour

- An itinerary with 2 levels of difficulty
- 3 nights in a hotel and 1 night in a guesthouse
- 2 accommodations with swimming pool
- Luggage transfers
- 5 days / 4 nights
- Possibility to rent an electric bike

Highlights

- Discovering various monuments listed as a UNESCO World Heritage
- The Pyrenean mountains as a background
- Crossing charming and beautiful villages
- The local gastronomy
- Beautiful and quiet countryside roads

In the Gers region, a land of adventure and history, go and explore the castles and abbeys, the bastides, the vineyards and the flowery villages. Here, more than elsewhere, culture goes together with relaxation and enjoying a very rich local gastronomy. Starting from Auch, capital of the beautiful and rebellious Gascony, you will discover with this cycling tour many historical sites : the Auch Cathedral, the Flaran Abbey, Romieu Collegiate Church, Saint-Clar Bastide, Lectoure, Eauze the Gallo-Roman capital... and many more. Moreover, we cannot talk about the Gers region without mentioning its terroir, so discovering the local products will hold a special place in this tour : quality restaurants and fine wines are the symbol of a way of living and the trademark of the local producers' know-how. You will have the opportunity to discover it during your cycling wanderings through forests, hills and protected villages, but also during your evening stops. The Gers is also a welcoming land that has learnt how to keep living with the flow of nature. Mankind has always cultivated the fertile valleys with perseverance, therefore keeping the villages lively and protecting the nature. With your family, your friends or as a couple, go and discover the paths, the rivers and the hills, but also the story of the people of Gascony, in the heart of the South-West.

•PROGRAM

Day 1 : Beginning of your holiday in Auch

Arrival in Auch, capital of Gascony, the land of the musketeers and d'Artagnan. Introduction tour of the city : overlooking the city and the Gers river, the Armagnac Tower and the Ste Marie Cathedral (listed as a UNESCO World Heritage) are forming an architectural complex reminding that the city is a key stop on the Way of St James.

- Duration : 2h or walking or cycling tour.

Day 2 : From Auch to Fleurance

Today's itinerary leads you to Montégut, where the view opens over the hills, then it reaches the village of Montaut les Crénaux where you can see various traces of the medieval times. The views over the Pyrenees are magnificent. After passing by the Latour castle, you will go down again towards the Gers valley and the city of Fleurance, a 13th century bastide.

- Distance : approximately 38 km, duration : approximately 4h30, ascent : +360m, descent : -420m.

Day 3 : From Fleurance to Lectoure

During this section in the heart of the Lomagne area, you will have a stop in the superb village of Saint-Clar : this village is renowned for its main square where a 13th-century wooden hall is standing. Saint-Clar was built around this square and offers an untouched medieval architecture, with many half-timbered houses. On Thursdays a market takes place on the square, that also welcomes various festivities related to garlic, which is Lomagne's speciality (possibility to visit the House of Garlic). Your journey then leads you to Lectoure, a fortified town that stretches on a rocky outcrop. The cathedral and the bishop's palace are the most impressive monuments of the town.

- Distance : 38 km, duration : approximately 4h30 environ, ascent : +460m, descent : -380m.
- Distance : 54 km, duration : approximately 6h environ, ascent : +650m, descent : -570m.

Day 4 : From Lectoure to Condom through la Romieu and Flaran (extended version)

Today, we put heritage forward, with the Romieu Collegiate Church and the Flaran Abbey, that are both recognized as a UNESCO World Heritage. You should also pay attention to Castelnau-Lectourois, Lagarde and its castle perched over the Archie valley, or the Tauzia castle. When crossing the village of Cassaigne, visiting the wineries and the castle is a must-do. The last part of the itinerary towards Condom follows the "Armagnac Green Way", a cycling itinerary that now replaces the old railway connecting Condom to Eauze.

- Distance : 28 km or 32 km, duration : approximately 3h30 to 4h, ascent : +340m, descent : -430m.
- Distance : 51 km, duration : approximately 6h, ascent : +650m, descent : -670m.

Day 5 : From Condom to Eauze through Larressingle, Montréal du Gers and Fourcès

Today, we are focusing on the three "Most Beautiful Villages of France" of the Gers region : Larressingle with its walls standing in the heart of the vineyards and its houses with mullioned windows and arched doors, gathered around the donjon-castle; Fourcès, a round bastide with half-timbered houses and arches; and Montréal du Gers, the first Gascon bastide, created on a rocky outcrop and whose Gothic church is partly fortified. At the end of the day, you will also discover Eauze, a powerful Gallo-Roman capital with a territory stretching from Bordeaux to Toulouse and until the Pyrenees! Transfer to Auch at the end of the day and end of the trip.

- Distance : 36 km, duration : approximately 3h30 to 4h, ascent : +400m, descent : -340m.
- Distance : 51 km, duration : approximately 5h30, ascent : +530m, descent : -470m.

This program is an example of the itinerary we aim to adhere to. It may be necessary, if situations arise that are beyond our control, for the itinerary to be modified.
